

MODERN RANCH

## Case Study

8021 PHAETON DR.

**Neighborhood:** Sequoyah Hills

**Project Timeline:** 8 Weeks

Includes increased timeframe for custom builds and finishes in addition to permitting

**List of Improvements:**

- Complete kitchen remodel
- Flooring
- Interior Paint
- Floorplan adjustments to den/kitchen
- Lighting

**ABOUT THIS PROJECT**

After transforming this family's Albany home for what was a very successful sale, these owners called on NurtureSource a second time: this time to assist in renovating their newly purchased home. This called for a full kitchen renovation, modifying the floorplan to expand the den, plus all new flooring and painting throughout.
